Due to company acquisitions and internal promotions, we are seeking two key appointments to help realise International Paint's ambitious growth plans for lining and fire protective coatings.

Lining Sales Manager

(EMEA Region)

Based: UK

Reporting to the Market Manager, you will be responsible for raising awareness of our linings offer among sales units and business development teams. You will also take a personal role in converting opportunities into sales.

Fire Protection Technical Manager

(EMEA Region)

Based: NE England

Reporting to the Fire Protection Engineering Manager, you will be responsible for ensuring technical support for our Interchar and Chartek ranges, as well as providing fire engineering input into sales and product development. A key focus of this role is the management of the approval, certification and assessment processes by external bodies.

For both appointments, candidates with a proven track record in a similar role are preferred; however candidates with a strong technical background in similar fields will be considered.

To apply for these roles go to **www.akzonobel.com/international**
